3. Conclusion

Sample Essay

All creatures commute each other by using their own language, mostly we can see most of them use English language to do the relationship between nation and nation. So we will let you know what is the importance of English language?

In order to mention what is the importance of English language we should know the countries which use English to communicate each other like, England, the United State and some other countries around the world that use English as a second language. Absolutely, we can see Cambodian people nowadays use their English language fluently and

CamScanner

there are many international school in Cambodia which is easier for Cambodian people to improve their speaking skill and they can use their knowledge to show and have a speech to the world more and more.

Lastly, I myself want to tell you that English is really important language to help people around the world to work or communicate each other more easier and easier.
